kellie jo holly compiled domestic violence safety plan a comprehensive plan that will keep you safer whether you stay or leave after reviewing several safety plans available from domestic violence programs across the united states she found the plans to be useful but no plan was comprehensive so kellie decided to create the safety plan she wished someone had given her this is the second edition of that comprehensive safety plan and it includes planning for social network use after leaving the abusive relationship this is a comprehensive domestic violence and abuse safety planning workbook it is designed to keep you safer whether you choose to leave or remain in your abusive relationship or marriage it is as important to protect yourself from the unseen abuses as well as the bruises you will most certainly receive if you choose to stay in your abusive relationship verbal mental and emotional abuse is domestic violence you need a plan to keep your body and mind safe if you already experienced physical assault it is important to leave the relationship as soon as you can however leaving immediately and permanently may not always be possible the goal of this safety plan is to keep you safer until you can or decide to permanently leave your abuser many people recommend this domestic violence safety plan to counselors crisis line volunteers nurses and triage workers domestic violence groups and anyone who regularly talks with victims of domestic violence and abuse kellie wants victims of abuse to use this plan as the first step to healing from domestic violence and abuse

this textbook equips social workers and human services practitioners with the knowledge and skills to work effectively with both the victims and perpetrators of domestic violence written to address the needs of the social work and human services student learner the book covers a range of domestic violence issues that will prepare the student for practice with an underlying structural feminist conceptual framework that works towards empowering service users whilst challenging the structures that perpetuate violence working with domestic violence includes 18 chapters covering the broad spectrum of issues that arise from working with domestic

violence a clear practice framework for applying theoretical knowledge when working with individuals and families in domestic violence contexts practice tips key facts case examples activities and reflective questions designed to enhance the reader's engagement with the ideas debates and practice challenges introduced in the text an extensive index and glossary to support student understanding of the material a user friendly and engaging style that will find application as an entire course book as well as for students or lecturers interested in selecting individual chapters for certain modules working with domestic violence is essential reading for students undertaking undergraduate and postgraduate coursework courses in social work and human services and those completing a postgraduate counselling qualification the book will also be a valuable resource for students of community work youth work education nursing and other allied health courses community services disability and welfare studies

over the past decade the field of urban tourism has consolidated with the appearance of several books that concentrate upon the western european and north american experience recently the scope and range of urban research has widened considerably including the welcome appearance of studies that examine the tourism phenomenon in cities outside the euro american heartland despite this growing international body of debate and scholarship on tourism and cities particularly in the developed north literature that relates to the developing world as a whole and to africa in particular remains sparse the task of urban tourism in the developing world the south african experience is to augment the current international scholarship concerning urban tourism in the developing world more especially the contributors draw attention to a range of case studies from south africa that provide some starting points to address the uneven scholarly coverage of urban tourism the african context has received to date in addition the research material presented here seeks to contribute toward raising the south african and indeed the african profile within growing international scholarship concerning issues of urban tourism and development this collection aims to expand an emerging south african and african tourism research voice concerning the tourism and development nexus as well as to stem critiques that this body of research appears to have developed in a theoretical vacuum divorced from broader international tourism research discourses this collection of essays not only further develops an independent south african tourism perspective but also presents research that is closely tied to international urban tourism research debates in addition this analysis of urban tourism in the south african context enriches the

rather western oriented theories of urban tourism discourse through its emphasis on how urban tourism is evolving in urban africa christian m rogeron is professor of human geography in the school of geography archaeology and environmental studies university of the witwatersrand johannesburg south africa gustav visser is senior lecturer in human geography in the department of geography university of the free state bloemfontein south africa
